Boys Rock !

Members of the Geelong Chapter of the Harley Davidson Owners Group present Grant Boyd with a cheque

In 2010 the Geelong Chapter of the Harley Davidson Owners Group presented Bethany CEO Grant Boyd with a cheque in support of Bethany's Boys Rock Program.

The Boys Rock program is delivered in primary schools with the aim of supporting young boys to gain confidence, self esteem and to develop their social and interpersonal skills.

With the funding support from the group, Bethany has been able to deliver the program in three primary schools this year which has also included visits from members of the Group with their bikes, a highlight of the program for the boys, to talk about friendships they have formed through their club.

The Harley Davidson Owners Group has been supporting Bethany for a number of years by providing hundreds of gifts each year to the Bay FM Bethany Giving Tree Appeal through their annual toy run in December. The group also attends the launch of the Giving Tree and Bethany's Children's Christmas party by delivering the most special man of the day ...Santa!.

Workshops/Courses

Bethany offers a range of workshops and courses to support parents and carers.

Kinship Carers

If you are a Kinship Carer and live in Colac then why not come along to our next information session at the CFA, 34 Rae St on 16 November.

For more information call the Kinship Care Team.

What's On

2010 Bay FM Bethany Giving Tree Appeal.

The 2010 BayFM Bethany Giving Tree Appeal will run from Friday 19 November until Friday 17 December.

Giving trees are located throughout the region from Lara to Apollo Bay and is reliant on local businesses and volunteers.

If you would like to know more or how you can help contact Sandy on 5245 2822.

To find out more, or how to help, contact Bethany
