

Supported Playgroups 2018

FREE Share fun activities with your child

Playgroups connect families to community and provide a place for parents to develop skills and for children to learn. They are also a great way to meet new people and socialise with other families.

- Participate in fun activities and spend quality time with your child
- Build your child's social skills
- Share information and ideas with other parents
- Gain parent information and support

Supported Playgroup details, including times and locations, are listed over the page.
