Position Description

linguistically diverse backgrounds, and to providing a safe environment for children with a disability.

Position Objectives

The National Disability Insurance Scheme (NDIS) is the new way of providing individualised support for people with disability, their families and carers. As a registered NDIS provider, Bethany is registered to provide a range of services including coordination of supports and a range of therapies such as occupational therapy, speech pathology, psychology and physiotherapy.

This position is responsible for providing occupational therapy support for people with permanent and significant disability, their families and carers, according to the goals and funded supports specified in a participant's individual NDIS Plan. Support is based on the underpinning NDIS principles of a participant's 'choice and control' and may be provided within the office, the participant's home or in their local community.

This role will be required to provide occupational therapy support to participants of the NDIS across all Bethany locations in the South West of Victoria (Warrnambool, Portland & Hamilton). The position may also be required to provide therapy support for participants of the NDIS located in other areas including Geelong. Bethany fleet vehicles are provided for outreach work.

Flexible working arrangements with fulltime or part time employment available and the option to work from Warrnambool, Portland or Hamilton. Given the current impact of COVID-19 flexible employment options are available including the possibility of working from home and providing occupational therapy services via digital platforms.
