

Change Christmas for a local family in need

Donate your change to the

GEELONG

GIVING TREE
APPEAL

The lead up to Christmas is proving tougher than ever for vulnerable families in our community.

For the first time in 20 years, Bethany Community Support is asking people to **donate funds, not gifts**, to the Geelong Giving Tree Appeal and keep everyone COVID safe.

Bethany, in partnership with Barwon Child, Youth and Family and The Sexual Assault and Family Violence Centre, needs the Geelong community's help to raise \$100,000 for disadvantaged families and individuals.
