

# Donate unwanted furniture

In partnership with Give Where You Live, the Encompass Homestart Program provides good quality furniture at very affordable prices, helping those in need.

- **Hub 3219 and HomeStart will give a new home to your unwanted furniture.**
- **It also provides work experience in a team environment for people socially disengaged those who might live with a disability or mental health issue.**
- **Homestart accepts quality donations and our pick-up service is free.**
- **By donating to HomeStart you support people in Geelong and surrounding areas in reducing waste to land fills.**
- **Every donation you make will help us give back to the Geelong community and best support people who need it.**
